

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

PERIODIC REPORTING
(PROPOSAL TWO)

Docket No. RM2018-5

NOTICE OF FILING OF USPS-RM2018-5/NP5
AND APPLICATION FOR NONPUBLIC TREATMENT
(July 18, 2018)

The Postal Service hereby gives notice of filing of the material indicated below as part of the **Non-Public Annex** in this proceeding:

USPS-RM2018-5/NP5 Additional Alternative Version of Nonpublic Unit
Cost Impacts (Proposal Two)

The material contained in the nonpublic folder includes cost information regarding competitive products of the type provided under seal within several folders in the FY17 Annual Compliance Report. The Postal Service therefore incorporates by reference the Application for Non-Public Treatment of Materials contained in Attachment Two to the United States Postal Service Fiscal Year 2017 Annual Compliance Report, filed on December 29, 2017. This material relates to materials previously submitted in furtherance of the informal agreement between the Postal Service and Amazon and UPS, discussed in the Postal Service's motion filed July 5, 2018 for extension of the comment deadline. As such, the Postal Service has no objection to access by qualified

representatives of those parties under standard protective conditions, as previously granted in Order Nos. 4701 (July 9, 2018), 4710 (July 12, 2018) and 4711 (July 12, 2018). As explained in the Preface, USPS-RM2018-5/NP5 provides more comprehensive unit cost differences for specific competitive products, taking into account more factors than reflected in the corresponding figures appearing in USPS-RM2018-5/NP3.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:

Eric P. Koetting
